

## What is the “Great Reset?”

### An Unmasking of the Global Beast System

The World Economic Forum is scheduled to meet on January 25-29, 2021 in an online global forum. The theme for this meeting of global elites from both private & public sectors is “The Great Reset” What is this Great Reset that they will be discussing, deciding on and planning for?

Let me begin with some brief history and background. Klaus Schwab, a German engineer and economist, founded the World Economic Forum in 1971.

In an article from The Hill, entitled, “[Introducing the Great Reset, World Leaders Radical Plan to Transform the Economy](#)”, by Justin Haskins, it begins with this statement:

*“At a virtual meeting earlier in June 2020, hosted by the World Economic Forum, some of the planet’s most powerful business leaders, government officials and activists announced a proposal to “reset” the global economy. Instead of traditional capitalism, the high-profile group said the world should adopt more socialistic policies, such as wealth taxes, additional regulations and massive Green New Deal-like government programs.”*

Let me follow this up with a quote from founder Klaus Schwab, [in an article](#) published on WEF’s website:

*“Every country, from the United States to China, must participate, and every industry, from oil and gas to tech, must be transformed,” **“In short, we need a ‘Great Reset’ of capitalism.”***

One of the main themes of the June 2020 meeting was that the coronavirus pandemic has created an important “opportunity” for many of the World Economic Forum’s members to enact their radical agenda to transform (and eliminate) capitalism.

Decoded: “Never let a good crisis go to waste”

*You never let a serious crisis go to waste. And what I mean by that; it's an opportunity to do things you think you could not do before.* Rahm Emanuel

**Let me hit the pause button here for a moment before we go on and decode some words for you.** The term “New World Order” and “Deep State Globalists” has come onto the radar scope of many people and these terms now have very negative connotations.

So now we have the same agenda with the same global actors, but they have “repainted the house” with a fresh coat of paint and are using some new terms for the same end game and end goal.

Great Reset = Eliminate Capitalism = Launch Global Socialism = Implement Global Tyranny = Launch One World Digital Economy

Reimagine and Reset our world = Tear down and destroy capitalism, replace with global socialism/tyranny

Okay, let us continue looking at the World Economic Forum’s plans & agenda for the January 2021 conference;

This comes from the [World Economic Forum Website](#):

The COVID 19 pandemic has demonstrated that no institution or individual alone can address the economic, environmental, social and technological challenges of our complex,

interdependent world. The pandemic itself will not transform the world, but it has accelerated systemic changes that were apparent before its inception.

### **Hit the pause button again. Let me decode that for you:**

*"In other words, never let a good crisis go to waste. Let's use this global pandemic to transform the global economy into a one world digital economy. Let's use this global pandemic to crush capitalism, especially small businesses, through severe lockdowns and quarantines, and out the burnt ashes of free enterprise, global socialism can arise!"*

**Continuing on from the website:** "The fault lines that emerged in 2020 now appear as critical crossroads in 2021. The time to rebuild trust and to make crucial choices is fast approaching as the need to **reset priorities** and the urgency to **reform systems** grow stronger around the world."

### **Each day will focus on one of the five domains of the Great Reset Initiative.**

#### **Monday Jan 25: Designing cohesive, sustainable and resilient economic systems**

##### **Hit the pause button: Let me decode that for you**

*Sustainable = equitable = not for profit = redistribute resources/assets/capitol = Marxism/Communism!*

*Let's use the Coronavirus pandemic, and through public policy at the city, state and national level, through harsh lockdowns and quarantines, let's utterly crush small businesses and the local economy. Once it is destroyed, we can then "reboot" into a new global economy based on a one world digital currency.*

*Let's have an international "carbon tax" and through increasing taxes and regulations, we will "redistribute" the wealth. This is classic Karl Marx communism, with a new coat of paint!*

#### **Tuesday Jan 26: Driving responsible industry transformation and growth**

##### **Hit the pause button: Let me decode that for you:**

**Those who are "responsible"** = Corporate/Big Tech elites who are in alignment with our goals

**Industry transformation** = destroy small business but let the big box stores and online giants like Amazon thrive = destroy capitalism by whatever means necessary and replace with Socialism/Tyranny!

*They want to have markets that are driven from the "top-down" for more "equitable" outcomes. In other words, let's eliminate free enterprise/small businesses with a grass roots, bottoms-up approach based on "profit" and replace with a socialist/government run economy.*

#### **Wednesday Jan 27: Enhancing stewardship of our global commons**

[Quote from the WEF website on the Great Reset Page](#): *The world is at a historic crossroads, as economies everywhere attempt to pull themselves out of a COVID-19-induced hiatus. The damage inflicted has been horrific in terms of lives taken and livelihoods lost. However, it also presents an opportunity to rebuild in a more inclusive and responsible way. **Coronavirus-related lockdowns provided a glimpse of what is possible in terms of limiting pollution**, and the pandemic's human toll illustrated what can happen when healthcare systems and social safety nets are neglected. Now, it is up to leaders in the private and public sectors to seize the moment and help create a **more equitable and sustainable society**.*

**Hit the pause button: Let me decode that for you:**

More equitable and sustainable society = eliminate/crush/destroy capitalism, replace with Socialism/Tyranny!

*The global elites want to implement the "New Green" Deal. Let's reduce carbon emissions and the carbon footprint. Let's have a global "carbon tax" and redistribute wealth from rich nations to poor nations. Don't drive anywhere! Lockdowns are GREAT! No more pollution in the LA basin! Just stay in lockdown and don't drive anywhere so we elites can have clean & pristine air to breathe!*

**Thursday Jan 28: Harnessing the technologies of the Fourth Industrial Revolution**

**Hit the pause button: Let me decode that for you.**

What is the Fourth Industrial Revolution? It includes: Artificial Intelligence (AI), Deep Learning, drones, contract tracing apps, social credit score cards, nanobots in hydrogel embedded in the Coronavirus vaccines that can monitor your oxygen & sugar levels in your blood, and do God knows what else.

In other words, "Big brother" will be watching and collecting data at all times on your whereabouts, your bank account, your health information, your buying habits, in attempt to control every aspect of your life! It is a police surveillance state on steroids!

**Friday Jan 29: Advancing global and regional cooperation**

**Hit the pause button: Let me decode that for you.**

Let's eliminate all national borders, and move to a one-world geo-political system. Let's consolidate power to the few, to the elite. Let's have global tyranny.

Sound like the Beast system? That's because it is!

*So he carried me away in the Spirit into the wilderness. And I saw a woman sitting on a scarlet beast which was full of names of blasphemy, having seven heads and ten horns. The woman was arrayed in purple and scarlet, and adorned with gold and precious stones and pearls, having in her hand a golden cup full of abominations and the filthiness of her fornication. And on her forehead a name was written:*

*MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH. I saw the woman, drunk with the blood of the saints and with the blood of the martyrs of Jesus. And when I saw her, I marveled with great amazement.*

Revelation 17: 3-6

*"The beast that was, and is not, is himself also the eighth, and is of the seven, and is going to perdition. "The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. "These are of one mind, and they will give their power and authority to the beast. "These will make war with the Lamb, and the Lamb will overcome them, for He is Lord of lords and King of kings; and those who are with Him are called, chosen, and faithful." Revelation 17: 11-14*

What does this Beast require of all people on the planet? The answer is found in Revelation 13:

*He was granted power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed. He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name. Revelation 13:15-17*

Requirements for a mandatory vaccine with mandatory ["digital IDs"](#) (also covered in great detail on the World Economic Forum website) will move us in the direction of the anti-Christ mark of the beast system that is spoken of in Revelation 13.

**How shall we pray?**

## **Prayer Targets:**

**Pray into Revelation 12:10-11, Revelation 15:2** ~ Abba, help us to overcome and get the victory over the beast and the beast system with the blood of the lamb and the word of our testimony! May we be bold and courageous! May we have a backbone of TITANIUM! May we not shrink back in fear nor love our own lives even unto death!

**Pray into Revelation 20:4** ~ Abba, help us to keep our eye on the prize, that we would not love our own lives unto death, that we will rule and reign with Yeshua for 1,000 years! May we be willing to pay the price, and make the sacrifice!

**Pray into 2 Thessalonians 2:9-12** ~ Abba, we know that a strong deluding spirit has been released upon the earth. Abba, we stand in the gap for our loved ones who have come under this deluding spirit. Abba, may they LOVE TRUTH! May they SEEK TRUTH! May they seek YESHUA and HIS TORAH! Please rescue, redeem, deliver and save these ones that we love!
