

## **Israel: Caught between a Blessing and a Curse?**

By Bracha

*"I will bless those who bless and curse you, those who curse you; and in you all peoples on earth shall be blessed!"* Genesis 12:3

The Bible teaches us that the central arena of struggle is ISRAEL, ELOHIM's chosen country and people. What is happening in ISRAEL has an impact upon the entire world.

### **Israel: God's Timepiece for the End of Days**

Israel is God's pointer on the end of days prophesy clock!

We know from Scripture that before the Messiah appears in glory, the ANTI-Messianic Kingdom of Darkness will be built and the Anti-Messiah will be permitted to rule for 42 months.

It will even get to the point where he will position himself in Jerusalem, for there he will set up the "abomination that causes desolation" at the holy place.

*And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days.* Daniel 12:11

*"Therefore when you see the abomination of desolation spoken of by Daniel the prophet, standing in the holy place" (whoever reads, let him understand), then let those who are in Judea flee to the mountains.* Matthew 24:15-16

It will be an evil, dark time, because: *"The devil has come down to you and is very angry, knowing that he has only a short time."* (Rev. 12:12)

Israel is called to be light and a blessing for the nations! YHVH has preserved and gathered HIS people to this day! We praise our Father that the State of Israel was founded after the Holocaust and that it has flourished and prospered for over 70 years! The Torah is the foundation of EVERYTHING and Elohim's people are FIRST invited to walk in their covenant and obey his word. Otherwise the Torah becomes a curse instead of a blessing.

In Jeremiah 26:4-6, it is written:

*"And you shall say to them, 'Thus says YHVH: "If you will not listen to Me, to walk in My Torah which I have set before you, "to heed the words of My servants the prophets whom I sent to you, both rising up early and sending them (but you have not heeded), "then I will make this house like Shiloh, and will make this city a curse to all the nations of the earth."'"*

### **The Great Reset and the New World Order**

The Torahhouse prayer focus for January we were shown the dire plans of the Great Reset and the preparations for the New World Order (NWO).

Israel's "colonels" are also following this line, turning the great crisis into a great "new beginning". Some of Israel's leaders are helping to drive this global change, working through global finance and social media.

### **The Covid "Plandemic" and the Rise of Fascism in Israel**

With regard to the "Plandemic", the situation in the country is divided.

The official narrative sounds like this: There is a lot of testing and the number of infections was very high, as were the deaths, but these numbers are falling. The second hard lockdown is slowly being lifted, as vaccine rollout is proceeding.

"As part of an official campaign by the Tel Aviv City Council, there is a bar on the beach that offers its guests a free drink without alcohol if they allow the Magen David Adom paramedics to administer a first dose of the Pfizer Covid-19 vaccine."

Over 4 million have already received the first dose of vaccine. That is 60% of the adult population.

The government had set the target of 5 million people completely vaccinated before the economy and air traffic were reopened. " (From Israel today, February 21, 2021)  
Many rabbis, messianic Jews, and decision-makers advocate the measures "for protection, for the rescue and for the good of the population".

There are also critical voices in Israel - as there are worldwide.

At the time of Purim, there was an Emergency Call for Urgent Prayer for Israel over the Coronavirus Vaccine and the new fascist policies being implemented. [CLICK HERE to READ MORE](#)

Dr Simone Gold, an Emergency Room Board Certified Doctor, and active member of America's Frontline Doctors, recently shared her findings about the Coronavirus vaccine. This video was originally published on YouTube, but due to censorship, it was removed. It can now be viewed on Brighteon:

#### **Issues with the Coronavirus vaccine:**

- \* There is talk of high infection numbers, yet the positive tests say nothing about whether someone is actually sick. The tests often give false positives.
  - \* It is not certain whether the tests are really harmless. Both after pharynx and after Nasal swabs often cause discomfort. The swab is injected far up into the nasal passage and whatever is contained in the swab can easily penetrate the blood/brain barrier. Is something being added to the body?
- To learn more on this topic, watch the Brighteon video: ["You'll never guess what's in the tests"](#)
- \* In the case of deaths, it is not clear whether someone "died with or from a virus".
  - \* The government measures are not proportionate and are ultimately NOT helpful!
  - \* The lockdowns have created a high unemployment rate. Many businesses, especially Retailers and small businesses are broke with no hope of recovery!
  - \* Israel lives from tourism. Due to Coronavirus lockdowns, the Tourism industry has been shut down, losing millions of shekels in the Israeli economy. Airline traffic, hotels, restaurants, souvenir industry, tour guides, bus companies and all other small businesses associated to tourism: ... no income, no real prospects!
  - \* Many true friends of Israel will not be vaccinated and can therefore no longer enter Israel to visit.
  - \* Large families are living in cramped areas because of the lockdown living situations. The children - often several at the same time - are taught homeschooling. They sit for hours in front of "the telly" as a "leisure activity". Mothers report 10 Hours of screen time per day!

\*Excessive demands, stress, fear, paired with aggression and depression, is increasing at home. Hear the cry of a mother: "Is it worth it, because of a virus that has a chance of survival 98.5% is to sacrifice our families and traumatize so many children? "

\* There are more and more urgent calls for help. Israel has bought the vaccine and there is a contract that by certain dates there will be so many people vaccinated.

This has led to criticism from many in the country that Israel is not a "test lab nation".

Please remember, the vaccine is "experimental". Also, please remember, it is NOT a vaccine, it is "gene therapy medicine." The Pfizer and Moderna vaccine has mRNA in it, which interacts with a person's DNA, permanently changing it. You can visit Moderna's website, where they openly explain how the mRNA medicine will "modify" your DNA:

Visit the Moderna website by [CLICKING HERE](#), where they discuss how their "operating system" (their mRNA medicine) is the "software of life".

There are also voices saying "Never again!" The vaccine was produced in too short a time and not adequately tested. Now Israel is the "guinea pig" nation where it is being forced upon the population in a tyrannical fashion. Some of these fascist policies include:

\*Medical information is no longer confidential. The Knesset this past Wednesday approved a bill allowing the Health Ministry to transfer information on unvaccinated individuals to local authorities, the Education Ministry Director General and Welfare Authorities.

\*Citizens returning to Israel will be required to wear an ankle bracelet, being treated like they are common criminals.

\*Israelis without a vaccination are banned entry: A green passport will be required to enter certain places and to participate in certain activities. Only people who have been vaccinated or have recovered from coronavirus will be eligible for one.

Israel's government has announced that they are the world leaders in their vaccination rate and dealing with "plandemic" concerns. They are in first place 'per capita'.

Many citizens are critical of all of these measures. They name the massive pressure that is exerted (via the media, social control, threat to the job, etc.) if you DO NOT want to be vaccinated. Critical voices are not allowed, posts on social media are deleted, and extreme censorship is being applied.

We just don't know who has died from receiving the vaccine, and who has been vaccine damaged. These news articles, posts and videos are neatly snipped, censored and cut by the Big Tech Censors, Facebook, YouTube, Amazon, and Google.

- Even after someone receives the vaccine and the follow up "booster" shot, one still has to wear a mask, and practice social distancing. And, receiving the vaccine does NOT prevent transmission. So why take the vaccine?

There are warnings: This is a dangerous vaccine: it changes the genes! If nanobots embedded in hydrogel come into humans through the vaccines and from "testing" with the swab, external control / steering can possibly take place in connection with 5G. To learn more, watch the informative video, ["You'll never guess what's in the tests"](#).

How far away are we from the "mark of the beast" without which no one can buy or sell? (Rev.13.16)

Let Israel be a blessing and not a curse with its leading technological developments! There is the Passport green card that grants the vaccinated privileges (travel, visits sporting events and restaurants, etc.) while the non-vaccinated do not have these privileges.

This leads to a two-tiered society, exclusion, discrimination, further social division, and a vaccine apartheid state.

A young Messianic Jew, grandson of a Holocaust survivor said:

"If there is no outcry WORLDWIDE now, it will soon be the same in your countries and cities. ISRAEL IS THE LEADER IN THIS WORLDWIDE DEMONIC DECEPTION: "
