

**Stunning: The Creator's Name is Found in your DNA:
Therefore, Satan's Plan is to Desecrate your body, the Temple of Holy Spirit**

There is a new film out, done by FollowersofYah ministries, entitled "Abomination of Desolation". It is 91 minutes long, but it is perhaps one of the most stunning videos I have watched in a decade and well worth watching every minute of it.

It is extremely relevant and very timely to watch now, especially in light of the times we are now living in.

What will you learn? The mystery of the "Abomination of Desolation" will be unwrapped, unveiled and unsealed to you.

Our mind tends to go to a brick-and-mortar temple when we think about the warning that Yeshua gave us about this abomination:

"Therefore, when you see the abomination of desolation spoken of by Daniel the prophet, standing in the holy place" (whoever reads, let him understand), "then let those who are in Judea flee to the mountains. Matthew 24:15-16

Yeshua was referring to following prophecy from Daniel 9:27:

*Then he shall confirm a covenant with many for one week;
But in the middle of the week*

*He shall bring an end to sacrifice and offering,
And on the wing of abominations shall be one who makes desolate,
Even until the consummation, which is determined,
Is poured out on the desolate."*

We have been trained to think about and look for a brick-and-mortar Temple, or an Altar that gets built on the Temple Mount. The daily sacrifice takes place on it, and then the altar gets shut down and gets replaced with an "abomination that causes desolation".

But what if this prophecy isn't talking about a building? What if this prophecy is talking about our own human body? The scriptures tell us that our body is a holy temple that houses the Holy Spirit:

Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your own? For you were bought at a price; therefore glorify God in your body and in your spirit, which are God's. 1 Cor 6:19-20

Here is the stunning fact that comes out in the video: the Creator's own name, YHVH, is in our DNA? How so?

DNA appears as a double helix, looking like a spiral staircase. There are four nucleotide bases that make up the DNA code. They are:

Adenine, Cytosine, Guanine and Thymine

These nucleotide bases are composed of hydrogen, nitrogen, oxygen and carbon.

Each of these letters have a number associated with it, based upon their matching values of atomic mass.

Hydrogen becomes the Hebrew letter, yod.

Nitrogen becomes the Hebrew letter, hey

Oxygen becomes the Hebrew letter, vav and

Carob becomes the Hebrew letter, hey

This is the sacred name, the tetragrammaton, Y H V H

Just as an artist signs their signature at the bottom of their canvas painting, the Heavenly Father's signature is found in all human DNA!

Yet there is more to marvel at!

The DNA molecule appears as a double helix, looking like a spiral staircase. There are "steps" to the spiral staircase, or, sulfuric bridges. These sulfuric bridges are what keeps the two DNA strands attached together.

In the video, a Jewish scientist shares his findings. The sulfuric bridge occurs in this pattern:

Every 10 acids, there is a bridge

Every 5 acids, there is a bridge

Every 6 acids, there is a bridge

Every 5 acids, there is a bridge

This is a repeating pattern in the DNA double helix spiral.

He then asks, "Who can tell me the meaning of 10-5-6-5?"

This is the numerical value of Y H V H! The sulfuric bridges holding the DNA together repeat in a pattern that spells out the sacred name!

Encoded within the DNA of every person on the planet is the name of Y H V H. The Master Creator signs his masterpiece of each human being with his very own signature.

For those who repent and turn to Yeshua, He comes to dwell within us through the Holy Spirit:

At that day you will know that I am in My Father, and you in Me, and I in you. "If anyone loves Me, he will keep My word; and My Father will love him, and We will come to him and make Our home with him. John 14:20, 23

And so, our body is a Holy Temple where the Holy Spirit of Yeshua dwells. Our Father's name is encoded in our DNA.

THEREFORE, Satan's devious and diabolical plan is to DESECRATE our body, which is the temple that houses the Holy Spirit. He wants to ERASE the name of Y H V H out of our DNA! Satan wants to hijack the temple of Yeshua, and occupy it for himself!

The video goes on to reveal how the COVID-19 vaccine that is currently being widely distributed to people all over the nations, will be disrupting and changing the DNA code of each person who receives the jab.

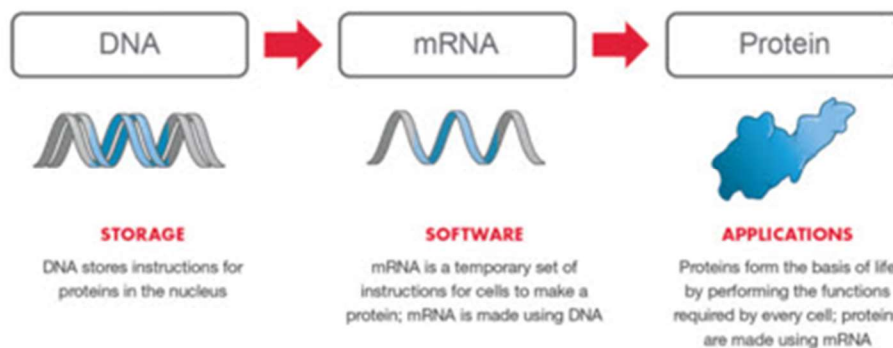

In fact, when you go to the Moderna pharmaceutical website, they openly explain how the mRNA "medicine" will change your DNA. It is NOT a vaccine. It is an EXPERIMENTAL "gene therapy" medicine. See for yourself in the two screen shots below taken from the Moderna website:

Our Operating System

Recognizing the broad potential of mRNA science, we set out to create an mRNA technology platform that functions very much like an operating system on a computer. It is designed so that it can plug and play interchangeably with different programs. In our case, the "program" or "app" is our mRNA drug - the unique mRNA sequence that codes for a protein.

We have a dedicated team of several hundred scientists and engineers solely focused on advancing Moderna's platform technology. They are organized around key disciplines and work in an integrated fashion to advance knowledge surrounding mRNA science and solve for challenges that are unique to mRNA drug development. Some of the disciplines include mRNA biology, chemistry, formulation & delivery, bioinformatics and protein engineering.

When the "mRNA medicine" (not vaccine) is injected into someone, the mRNA overrides the person's natural immune system and begins changing the person's DNA. This is in Moderna's own words from their website:

Our mRNA Medicines – The ‘Software of Life’

When we have a concept for a new mRNA medicine and begin research, fundamental components are already in place.

Generally, the only thing that changes from one potential mRNA medicine to another is the coding region – the actual genetic code that instructs ribosomes to make protein. Utilizing these instruction sets gives our investigational mRNA medicines a software-like quality. We also have the ability to combine different mRNA sequences encoding for different proteins in a single mRNA investigational medicine.

We are leveraging the flexibility afforded by our platform and the fundamental role mRNA plays in protein synthesis to pursue mRNA medicines for a broad spectrum of diseases.

So, your human DNA that has Y H V H encoded within it, will be “corrupted”, “polluted”, “made abominable” and “made desolate”. Could this be the true meaning of these words that have puzzled the prophets for centuries?

Then he shall confirm a covenant with many for one week;

But in the middle of the week

He shall bring an end to sacrifice and offering.

And on the wing of abominations shall be one who makes desolate,

Even until the consummation, which is determined,

Is poured out on the desolate.” Daniel 9:27

Be sure to watch the video. It is breath taking and stunning in its insights.

Is taking the job desecrating your Temple, your body? After watching the video, you decide.

Prayer Targets

Abba, Father, we ask that the information in this video would go FAR and WIDE!

May this MYSTERY: What is the Abomination of Desolation be exposed and revealed to MANY in the body of Messiah! Would you WAKE UP your bride!

Abba, Father, we ask that you would WAKE up those who are of the WOKE mindset, who are following blindly the leaders who are calling them to get vaccinated.

Abba, please get the truth of this video out to our friends and our family members who are blindly trusting in the Big Pharma to "go get the jab". Would you please give them a dream, a vision to warn them of the dangers of this "experimental" gene therapy?

Abba, Father, for those who have already been vaccinated, who did it in ignorance, would you please have mercy upon them? Please protect them from any ill effects. Please reverse any ill effects from this gene therapy experiment!
