

Being Watchmen in Prayer Over the House of Israel

June Prayer Theme for The Torah House

By Bracha

"Son of man, I have made you a watchman for the house of Israel; therefore hear a word from My mouth, and give them warning from Me. Ezekiel 3:17

At the end of seven days, the prophet Ezekiel is commissioned to be a watchman.

A guard keeps his eyes and ears open:

- he scans the horizon with his eyes
- he registers all unusual abnormalities
- in the event of imminent danger, he sounds ALARM and thus warns the population!

The guard/watchman also blows the shofar!

Shofar blowing is popular in these threatening times.

We need to be guardians and watchmen in the Torahhouse as well!

We see that Yeshua and the Torah is the foundation of the house of Israel.

The Torah, the word, the actions and the alliance of Elohim with his people is the basis of everything!

If the foundations are destroyed, What can the righteous do? YHVH is in His holy temple, YHVH's throne is in heaven; His eyes behold, His eyelids test the sons of men. YHVH tests the righteous, But the wicked and the one who loves violence His soul hates. Psalm 11:3-5

We live in a time when good is called bad and bad is called good.

The truth is twisted into a lie and the lie, the deception, is presented as just and true. Those who uphold, honor, teach, proclaim and follow the Torah, that is, the TRUTH, are no longer just backward and "unworldly", no: they are increasingly portrayed as a danger to society, a threat to democracy; they are to be silenced.

Our beloved Eretz Israel is also being attacked from outside and - no less dangerous - from within --by violent Arabs in towns and villages, on the streets of Samaria and the alleys of Jerusalem.

In Israel it happened last year that a teacher taught biblical facts, and in this context, took a position against practiced homosexuality.

The teacher was immediately suspended and severely punished and the students were given 'extra tuition' to teach them the 'correct teaching content' as well as 'repairing the emotional damage'.

Aggressive riots against Jews can now be observed increasingly in Europe, the USA, and also in other cities around the world as these headlines below demonstrate:

Hundreds of people marched in Chicago last weekend to protest the conflict in Gaza.

As usual, the media paints a distorted picture of the facts. In churches and congregations, the love for our older brother Judah seems to be cooling off:

Prayer Targets

LET US PRAY:

-We ask that you would put a deep love in the hearts of your remnant believers all around the world, to love the land of Israel and the Jewish people of Israel. May we stand in support and demonstrate true love for our brother Judah! May we stand against the anti-Semitism!

- We ask you to establish the government in Israel that corresponds to your holy will.

- WE BLESS ISRAEL!!

-Abba, dear father, we thank you for your wonderful Torah!

- We praise you for the festivals you gave us. Thank you for the time of the counting of the OMER, in which we were especially allowed to pray Psalm 119!

- We thank you for the Feast of Weeks, Shavuot, the celebration of the legislation, the union, the joy of the pouring out of the Ruach ha Kodesh!

- We praise you for your Ruach ha Kodesh, which you gave us, for its fire, its strength, and its glory!

- We thank you that it is a spirit of isolation that isolates us for you! Please protect us from the spirit of this world, which seeks mixing, is subject to deception and leads us astray!

- Please grant us the spirit of discernment and guide us into all truth.

- May we search for the truth of your word like a precious treasure in the field.

- May we love and honor the truth, like our master Yeshua, the living Torah!

- Father, please protect your children around the world who are persecuted for your precious name's sake. Conceal them in the puff of your robe, cover them with your wings!

- Abba, dear father, in the name of Yeshua, we ask you that your Torah will be taught and practiced in our communities.

- May more and more people keep the Sabbath and walk in your festival cycles. This is how they prepare your kingdom.

- Let more and more believers realize that Yeshua is foreshadowed and hidden in the Torah. Let them realize that Yeshua is the LIVING TORAH!

- Give a great love to the Torah among unbelievers, Christians and Messianic Jews!

- Take the 'blindfold' from your people so that they will recognize the Messiah Yeshua!

- Purify your people and sprinkle them with pure water!

- Abba, dear father, we thank you for fighting for your people in your country! The victory is all yours! All honor is all yours!

- We also ask you for Germany, the country in the middle of Europe: Please show mercy in judgment and give him a government that will keep your order. Protect us from a climate dictatorship, give fair judges and honest politicians. Remove the power-obsessed politicians who are not looking for the good of the people.

-We ask this for all of Europe and for America also!

-We ask for the many victims of the COVID-19 PLANDEMIC:

- Please heal the sick, protect the people from the destructive vaccination, protect the unborn and defenseless children from excessive measures!

- Let people be allowed to come together again in community, in common worship and in biblical teaching - for the sake of your name!

- We pray for your power over media deception, lies and censorship: Let your truth shine brightly and pour out the spirit of truth!

- Guide parents, educators, teachers so that they inoculate your Word upon the children. Keep deception far away and uncover lies!

- Abba, dear Father, the labor pains for your new world are coming! We look forward to it, even if it is a painful process. Let the anticipation dominate in us and protect us from false doctrine, depression, grumbling and dejection!

- Give us a new spirit of joy and rejoicing! Thank you for allowing us to experience this.

- We ask you especially for all watchmen and guards: Protect and encourage them!

- You know the pain that many suffer because family members and loved ones are vaccinated. May You comfort and heal the wounds!

- Help your children when their warnings about vaccination are limited, the warning is not heeded, and they don't want to hear them. Carry them in their ignorance.

- Give your people wisdom and light, how they can teach, warn, and wake up in the right way - but also let go and forgive. *"Forgive them because they don't know what they're doing!"*

- Help us endure, keep and do your commandments and keep Yeshua's testimony!

Baruch haba BeShem Adonai! Blessed is he who comes in the name of the Lord! AMEN!
