

"Confrontation of Two Kingdoms"

By Hildegard

"What has been will be again, what has been done will be done again; there is nothing new under the sun. Is there anything of which one can say, "Look! This is something new"? It was here already, long ago; it was here before our time." Ecclesiastes 1: 9-10, NIV

The entire word of YHWH, the Bible, is a unity and we discover patterns everywhere that repeat themselves, as just mentioned in Ecclesiastes.

We discover in the scriptures a profound contrast between man-made solutions of salvation and the path of salvation taken by YHWH.

Let's start with the Tower of Babel as an example. Under the direction of Nimrod, the construction of Babel and its tower began. Josephus wrote:

"He, namely Nimrod, wanted, he said, to take revenge on God if he pressed the earth with another flood, and he wanted to build a tower so high that the flood could not exceed it. So he would retaliate for the downfall of his ancestors. The crowd willingly endorsed Nimrod's intentions, considering it cowardice to obey God. And so they set about building the tower, the tower. . . quickly grew in height".

This tower-building project is seen as an attempt by mankind to have its own solution if another flood should occur and to be equal to God. Nimrod was a mighty hunter in spite of YHWH. Josephus went on to write:

"Gradually he [Nimrod] turned his behavior into tyranny, because he intended to turn people away from God all the more if they stubbornly trusted their own strength."

As we see here at Nimrod, our own man-made solutions have the characteristic of tyranny. We also see that all the people were united and eagerly worked on the solution devised by people:

"They said to each other, "Come, let's make bricks and bake them thoroughly."
Genesis 11:3, NIV ...

" Then they said, "Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves; otherwise, we will be scattered over the face of the whole earth." Genesis 11: 4, NIV

We hold that a man-made solution that everyone is working on is ultimately accompanied by tyranny. First of all, everyone is enthusiastic about the man-made solution and works on it together. But then this gives way to slavery. I'll explain this in more detail in a moment.

We find the same structure of a man-made solution in the construction of the Golden Calf. Moses, who was the leader personifying security for the people of Israel, had been gone a long time. Because the people did not trust in YHWH, they came up with their own solution.

"When the people saw that Moses was so long in coming down from the mountain, they gathered around Aaron and said, "Come, make us gods who will go before us. As for this fellow Moses who brought us up out of Egypt, we don't know what has happened to him."
Exodus 32:1

When the people believed that he who led them disappeared, they longed for other gods.

Other gods are also described in 1 Kings 11:33:

I will do this because they have forsaken me and worshiped Ashtoreth the goddess of the Sidonians, Chemosh the god of the Moabites, and Molek the god of the Ammonites, and have not walked in obedience to me, nor done what is right in my eyes, nor kept my decrees and laws as David, Solomon's father, did."

By the way, the meaning of the name of the city of Babylon is derived from the Akkadian *bāb-ilim*, which means "gate of the gods".

In Genesis 11:9 it is written:

*Therefore is the name of it called **Babel**; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth.*

Babel, in Hebrew, is Strong's H94 and it means: confusion by mixing.

Isn't it also the case today that in large part, mankind no longer has any connection to the Elohim who created heaven and earth... and they do not know their mediator, Yeshua Mashiach? Godless, people stagger through the world and build a golden calf around which they can gather and which promises them security. They feel deeply insecure and take matters into their own hands instead of trusting in YHWH. They do not know him or they once knew Him but have fallen far away from Him.

We remember the saying from Ecclesiastes 1:9:

"And there is nothing new under the sun."

Now the fear of the virus is great and instead of trusting in YHWH and relying on his protection and His solution, they are relying on the Babylonian system of vaccination.

Almost everyone is building on this system and is willing to be vaccinated. But then the populations are enslaved and the compulsory vaccination laws are passed, using lies and deceit.

Again, this is nothing new under the sun and shows the man-made system: as in Babylon under Nimrod,

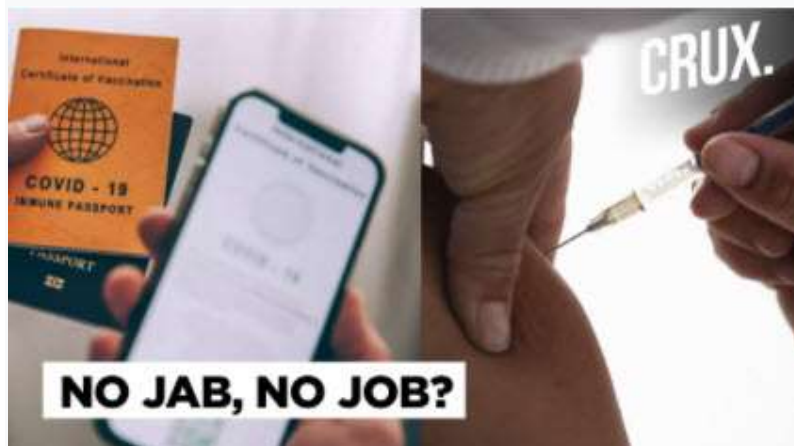

as in Egypt under Pharaoh,
as in the nations under medical tyranny today...

Let us go back to Egypt in the time of the Pharaoh. In Exodus 1:11-14, it is written:

“So they put slave masters over them to oppress them with forced labor, and they built Pithom and Rameses as store cities for Pharaoh. But the more they were oppressed, the more they multiplied and spread; so the Egyptians came to dread the Israelites and worked them ruthlessly. They made their lives bitter with harsh labor in brick and mortar and with all kinds of work in the fields; in all their harsh labor the Egyptians worked them ruthlessly.”

First labor overseers were appointed, then the people were oppressed, and then the people of Israel were violently forced into hard labor.

Do we see the increase in oppression today to the point of tyranny? First there was a vaccination offer, then in certain countries certain groups were forced, until the whole population were forced.

For example, in France everyone who worked in the nursing profession had to get vaccinated and now there is a bill that all citizens of France must be vaccinated. In some countries there is formally no general compulsory vaccination, but the restrictions for non-vaccinated people are so massive that they come very close to compulsory vaccination.

The noose is tightening more and more. In Israel there is now a group of experts who will visit the group of around 700,000 unvaccinated people in 12 cities to vaccinate them at home in a [door-to-door campaign](#).

The reason for building the tower was fear of the flood.

The reason for building the golden calf was fear due to lack of a visible leader.

The reason for willingness to be vaccinated is fear of dying and being at the mercy of the virus instead of trusting YHWH.

There is now a rally around the golden calf. Many fall down before the vaccination god and say: These vaccinations have helped us and saved us from the virus.

It says further in Exodus 32:35:

*„And the LORD **plagued** the people, because they made the calf, which Aaron made.“*

The Hebrew word for "plagued" is nagap and it means: to strike, to smite, to inflict with a plague/disease.

There are now many side effects of the vaccinations, especially coming from booster shots. The third booster shot is now being administered in Israel. The Ministry of Health in Israel removed thousands of personal reports from vaccinated people about vaccination side effects overnight on social media.

You can view stories told from the people of Israel from the Testimonies Project:

The side effects range from allergic reactions, swollen lymph glands, heart problems, (myocarditis) heart attacks, and reactions leading to death. The Israelis listed their full names under their reports - there are screenshots of them.

What if the people in your own Ministry of Health go out of their way to hide these facts? There is also fraud: the Israelis were promised the Green Pass if they were vaccinated twice. They received it initially but had to give it back and they will not get it again until they have been vaccinated for the third time.

Further personal information: Many girls in a school class have not had their menstrual period being vaccinated. Older people are tested for antibodies here after the 2nd vaccination and have none, as if they had never been vaccinated.

In the city of Oakville, Ontario, Canada, it has now been decided not to allow couples to marry unless they are fully vaccinated against COVID.

Let us see how lies, deceit, coercion and concealment are used here. It cannot come from our Elohim. Even if we didn't know about the many side effects of the vaccine, these machinations would be enough to expose the man-made system.

The lie is everywhere. Germany's most prominent institution during the coronavirus pandemic, the Robert Koch Institute (RKI), has corrected the number of people actually vaccinated downwards. These false numbers have pushed the country to tougher measures against the unvaccinated.

According to statements by The Trumpet on October 14, 3.5 million more people in Germany are vaccinated than what the official figures show.

[German vaccination rates higher than reported: buy Why?](#)

The Trumpet goes on to say that German medical doctor Bertram Häussler told Der Welt on August 30 that 80 percent of the COVID-19 deaths reported by the state-funded RKI did not die of COVID-19. Bild explains that "since the beginning of the pandemic, the federal government has listened to the recommendations of the coronavirus policy [of the RKI] and relied on its numbers to ... enforce lockdowns, mask requirements, school and business closings and many other restrictions".

The coronavirus is just the beginning. Soon Europe will change radically due to its authoritarian response to the virus.

Europe's vaccine passport is just a "precursor" to a [fully digital ID system](#) for every EU citizen, said the military technology company Thales Group, a French company that develops technology for military personnel in Europe and around the world.

"So-called digital 'vaccination cards' will play a key role in providing citizens with access to all types of services and serve as a precursor to the introduction of the mobile digital ID," said Thales. The EU plans to make these so-called "digital wallets" available as early as next year.

All of the user's personal information will be available through a smartphone-based application. You'll be able to open bank accounts, access medical records and government services, apply for loans, and sign real estate contracts. The EU can also integrate the digital euro currently under development for instant payments.

With just a few lines of code, entire groups of people, such as those who have not been vaccinated, could be classified, tracked and systematically excluded from society. Not just in their home country, but across Europe.

But the speed with which the vaccination card was introduced shows that the EU's digital wallet could emerge very quickly and radically change Europe.

And it all comes down to this:

*"The second beast was given power to give breath to the image of the first beast, so that **the image could speak and cause all who refused to worship the image to be killed.**" Revelation 13:15*

Could the AI (Artificial Intelligence) that is now being developed, for instance, at Thales, be the image of the first beast, spoken of in Revelation 13:15? Is this the end game, where we are now headed? Will it be this AI entity that will have the power to kill those who refuse to take on the mark of the beast?

*It also forced all people, great and small, rich and poor, free and slave, **to receive a mark on their right hands or on their foreheads**, so that they could not buy or sell unless they had the mark, which is the name of the beast or the number of its name.* Revelation 13:16-17
