

# Firestorm of Inner Conflict Has Hit Israel Like a Freight Train: Here is How You Can Pray!

By Bridge Connector

I have boots on the ground in Jerusalem and am on the King's business. I have been stationed in an office on the sixth floor of the main bus station on Jaffa street in Jerusalem. Yesterday, it was total gridlock and chaos in trying to catch a bus from the Jaffa business center to the outlying residential area. I had to walk quite a distance outside the business district to catch a bus. Why was there so much chaos and gridlock yesterday?

We are living in extraordinary days right now. **Israel as a nation has never been in as much danger as she is right now!**

What makes me say that? The nation is being ripped apart on the topic of judicial reform.

## Judicial Reform in a Nutshell

Let me give you a bit of background. As of now, the Supreme Court in Israel is stacked with all liberal, left-leaning judges. How do Supreme Court justices get appointed? There is an advisory committee of judges who appoint judges to the court. Judges appoint judges. If the right-leaning, conservative Knesset passes a law, the "left-wing bastion" Supreme Court can simply quash the law.

The judicial reform legislation, if passed, would change the status so that if the Knesset passes a bill into law, the Supreme Court would not be able to quash it. It would put checks and balances on the judicial branch of the government. Also, the judicial reform legislation would give the elected officials from the Knesset the authority to appoint/approve Supreme Court justices, instead of judges appointing judges.

According to Eliyahu Berkowitz, of Israel365 news, if you asked any Israeli, (whether liberal or conservative) two or three years ago, "Should there be Judicial reform?", all would agree that judicial reform was needed.

### **Why is Judicial Reform Dividing the Nation?**

Why is it such a deeply divisive topic today? What is bringing Israelis out on the streets to protest in mass right now?

The left wing and Yair Lapid are using the issue of Judicial Reform as an excuse and as cover to try to topple the current right-leaning coalition. Why do they oppose judicial reform? Because the Supreme Court can block and stop any right-wing laws that pass the Knesset.

Something happened on Sunday night that got the nation into a complete uproar on Monday. It was so huge that the Histadrut Labor Federation, Israel's primary worker's union [implemented labor strikes](#) on Monday throughout multiple sectors of the nation, including Ben-Gurion airport, universities, and hospitals.

So what happened? On Sunday night, Netanyahu had a meeting with Dept of Defense Minister Yoav Gallant. Gallant spoke to Netanyahu and warned him that "[Israel's security is in danger amid the judicial overhaul legislation](#)." He went on to say that "the current crisis is seen by Israel's enemies as an opportunity to attack." Netanyahu promptly fired Gallant. This was like adding gasoline to the flames of protest and on Monday, Israelis, both on the right and on the left, was out in the streets protesting.

Right now, IDF reservists, pilots, and other special forces are NOT reporting for duty in protest of the judicial reform. This is a violation of their oath to defend and protect the nation.

**Why did Netanyahu fire the Dept of Defense Minister Gallant?** What the mainstream media IS NOT reporting is this: "In a televised statement, Gallant said that he would sit

down and talk to IDF reservists about their concerns, hinting that their actions (of not reporting for duty) were acceptable." That is very likely, the REAL reason Netanyahu fired him.

But now the firestorm of conflict and strife has hit the nation like a freight train that has derailed and exploded.

### **What is the Current Status?**

As of this writing, Netanyahu has called for a "pause" on Judicial Reform legislation. Today, the Labor Union has called off the nationwide strikes. The airport has re-opened, and hospitals have reopened. President Herzog has [phoned PM Netanyahu, Gantz, and Lapid](#) to launch talks on a compromise after the overhaul has been put on pause. Netanyahu has said: ["I will not lead Israel into a Civil war"](#). He has now been [invited to the White House](#) after the Judicial Overhaul Pause was announced. However, though a pause to the Judicial overhaul has been announced by Netanyahu, [the protests continue](#) with both pro- and anti-government protests happening in Jerusalem.

### **The Danger to Israel Right now**

As the firestorm of conflict continues within Israel, here is the grave danger. Meanwhile, Israel's enemies (Iran, Syria, Hezbollah, Hamas) look on and they see a WEAK nation, with internal strife. Iran is very close to being a "thresh-hold" nuclear-armed power, and they have vowed to "wipe Israel off the map". Israel may have to do a pre-emptive first strike to take out Iran's nuclear capability.

So, while Israel is focused on internal strife, this could embolden Israel's external enemies to militarily strike.

Yet, there is a silver lining to this. If there should be a military strike, this is what would UNITE the nation and put an end to the internal strife. If an outside force tries to come in and take over, that is what unites the people.

Yet the protests continue, even after Netanyahu has announced a "pause" on Judicial Reform legislation. What are the deeper root causes behind all the protests?

### **Deeper Root Causes**

In Tel Aviv, we see many liberal left-wing protesters out on the streets. [The US government has been funneling tax-payer money](#) to the left-wing group bankrolling protests against PM Netanyahu, according to funding documents reviewed by the Washington Free Beacon. These documents indicate that since 2020, Foggy Bottom has sent over \$38,000 to the Movement for Quality Government, an Israeli non-profit that is stoking nationwide anti-Netanyahu protests. MQG is seeking to take down Netanyahu's government over his support for judicial reform. So, we see outside funding sources fueling the flames of left wing prleft-wing, especially in Tel Aviv.

Martin Blackham of [IsraelFirst TV](#), states the following regarding the deeper root causes:

"Israeli protests are just a smokescreen for the New World Order agenda. Tens of thousands of Israelis are being used by the globalist elites to protest and bring chaos across Israel.

### **The real issues include:**

1. The Israeli government is following the agenda of the World Economic Forum, the World Health Organization, and the World Government.
2. Censorship of the media. Let us remember that censorship became the norm in Israel's mainstream media during Covid. The press in Israel completely lost its independence during Covid.
3. Digital currency. The Bank of Israel is preparing for a digital currency.
4. Experimental Covid jab. The experimental jab has led to adverse reactions such as myocarditis and fatalities. Former Israeli Army Medical Officer, Dr. Yoav Ezekelli, calls for the immediate halt of covid experimental jabs.
5. Digital nationwide DNA database. PM Netanyahu is pushing for a fully digitized genetic record for every Israeli which was clearly stated by him in a video interview.
6. Surveillance society. Nationwide facial, object, and vehicle recognition cameras are prevalent. Google's Project Nimbus allows the Israeli government and military to use "facial detection and automate image categorization and object tracking."

### **Spiritual implications**

I spoke with Carolyn Hyde, who also has boots on the ground in Israel. She shared her thoughts from a spiritual perspective. She said, "Everything happening is right on time. We have reached the point of no return. There is no going back to normal."

She referred to a recent vision that she had regarding Washington DC and the UK. However, what she saw in that vision could very well apply to Israel right now. [CLICK HERE](#) to read the vision about DC and the UK.

Here I quote just a part of what she saw:

*"In the streets of Washington, DC iron ore will be poured out over the permanent structures that have firmly entrenched themselves so deeply, they believe they will never be moved and never be shaken. Then the kingdom of darkness will become the kingdom of nothing. And I will shake both the heavens and the earth so all that will remain will be of My Kingdom."*

This could certainly apply to Jerusalem right now!

She went on to say that the chaos and division in Israel will very likely increase. This will pave the way for the antichrist who will come in and bring peace...but it is a temporary and false peace.

Here is something that is on her heart that we can all ponder and reflect on:

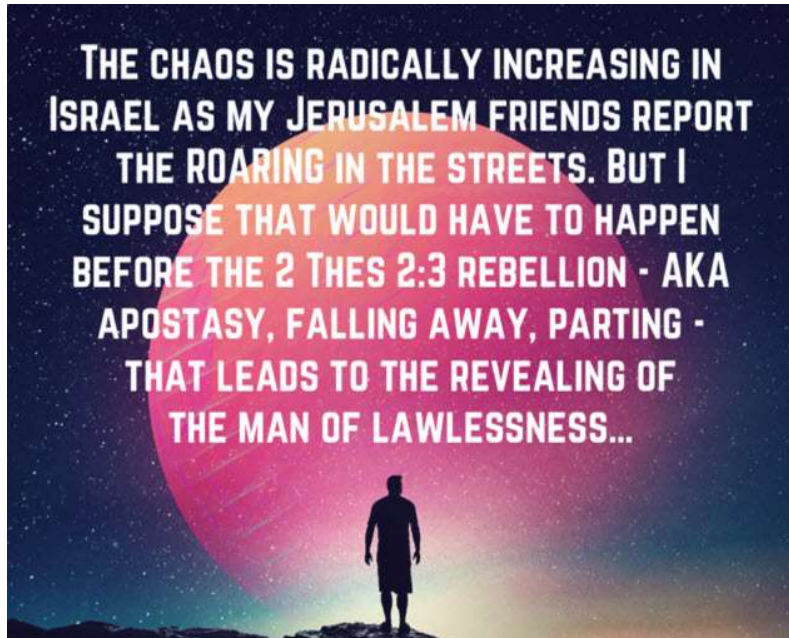

First, take a look at this scripture:

*Now, brethren, concerning the coming of our Lord Jesus Christ and our gathering together to Him, we ask you, **not to be soon shaken in mind or troubled**, either by spirit or by word or by letter, as if from us, as though the day of Christ had come. **Let no one deceive you by any means;** for that Day will not come unless the falling away comes first, and the man of sin is revealed, the son of perdition... 2 Thessalonians 2:1-3*

What is this “falling away”? It is an apostasy, a turning away from the Word of God accompanied by a spirit of rebellion against the Most-High God.

This meme, produced by [HeartofG-d.org](http://HeartofG-d.org) says it all:

The antichrist leader will promise peace and stability for the nations, and many will be deceived:

*And in his place shall arise a vile person, to whom they will not give the honor of royalty; but **he shall come in peaceably**, and seize the kingdom by intrigue. **"He shall enter peaceably**, even into the richest places of the province; and he shall do what his fathers have not done, nor his forefathers: he shall disperse among them the plunder, spoil, and riches; and he shall devise his plans against the strongholds, but only for a time.*  
Daniel 11:21, 24

*For you, yourselves know perfectly that the day of the Lord so comes as a thief in the night. For when they say, **"Peace and safety!"** then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape. 1 Thessalonians 5:2-3*

## How shall we pray? Prayer Targets

**Scripture:** *To everything there is a season,  
A time for every purpose under heaven:  
A time to kill,  
And a time to heal;  
A time to break down,  
And a time to build up;  
A time to love,  
And a time to hate;  
A time of war,  
And a time of peace.* Ecclesiastes 3:1, 3, 8

**Prayer Target #1:** Abba, we pray that YOUR timeline for prophetic events will unfold. May the enemy not speed those events up, but may you be LORD over the timeline for end time events!

**Scripture:** *But Jesus knew their thoughts, and said to them: "Every kingdom divided against itself is brought to desolation, and every city or house divided against itself will not stand.* Matthew 12:25

**Prayer Target #2:** Abba, we stand in the gap and we repent and we ask for forgiveness that the US Government has funneled taxpayer money to a left-wing group in Israel that is bank rolling the protests against Netanyahu. We ask that these moneys would dry up, cease and desist and from other funding sources as well! Abba, we come against the spirit of division, strife, and disunity, in the name of Yeshua! We bind it and rebuke it!

We speak shalom, shalom, shalom over the nation and people of Israel today. In Yeshua's name, Amen!

**Scripture:** *Behold, how good and how pleasant it is  
For brethren to dwell together in unity!* Psalm 133:1

**Prayer Target #3:** Abba, we ask that you would send a spirit of UNITY over the nation and people of Israel right now. Abba, there are wolves at the door, ready to pounce and strike while Israel is being divided from within. Abba, may you send SHALOM and PEACE to the nation right now! Abba, we ask for your mercy, your grace, and your protection over the nation and people right, in Yeshua's name, amen!

**Scripture** - *"The fear of the LORD is the beginning of wisdom, And the knowledge of the Holy One is understanding.* Proverbs 9:10

**Scripture** - *The king's heart is in the hand of the LORD, Like the rivers of water;  
He turns it wherever He wishes.* Proverbs 21:1

**Prayer Target #4** - Abba, we ask that YOU will take charge of the situation! You are El Elyon, you are the MOST HIGH, you are SOVEREIGN. We ask that you will give Heaven's wisdom to Netanyahu. We pray that you will guide him. We pray that he would be able to chart a steady course forward and bring stability back to the nation. May he not compromise to internal or external pressures and players, but may he hear from YOU, and may he go forward with the plan that you would show him? In Yeshua's name, amen!
